Wednesday's Free Student Clinic Massage Winner

November 26-30 was a week of celebration and giving back at Sutherland-Chan. A big thank you to our students, faculty, alumni, sponsors, community partners, and network of graduates and supporters for celebrating 40 years of Sutherland-Chan with us! We held an action-packed week of fun moments and exciting draws and contests. These included daily social media contests, a blog trivia contest, and an email list scavenger hunt, as well as prize draws for faculty and admin staff. To show appreciation to our Student Clinic patients, one lucky person was picked each day to get their massage appointment free. We also drew a patient's name for off a wonderful gift basket donated by Shoppers Drug Mart.

Pour House Gift Certificate Winner

The week's finale was a big potluck lunch on Friday, November 30. Students were entered to win some amazing draw prizes: a Creed's gift certificate, a Pro Clinic massage, a beautiful gift basket from Know Your Body Best, and the grand prize, \$500 for tuition donated by Silvermile Linens. The Grad Committee also raised almost \$200, making it a very successful event all around, and delicious fun too!
