VOLUME 22 APRIL 2019

March 20 was a Big Day at the School!

First, it was International Massage Makes Me Happy Day. Above you see Farangis Kashani, Nelson Jin '98 and Natalie Bramwell '15, who are greeting Student Clinic patients with stickers and happy smiles.

It was also Open House Day. Below are Ronke Asalu, S-C's Admissions Coordinator, and Term 1 student Sam Mavely (both standing left), interacting with visitors considering coming to the school.
