

Achieving Record Keeping Excellence

Sunday, September 27, 2020, 9:00-1:00

Description:

This course will look at the legislative requirements for record keeping within a clinical massage practice, including the patient health record, the therapist's professional portfolio, financial management and maintenance logs. We will discuss the necessity of having your records easily accessible and legible for report writing and during peer assessment. We will consider participants' current practices, and suggest helpful tips and templates for maintaining required records in paper and electronic formats.

STRiVE Competencies:

- Maintain comprehensive records

Instructor: Susan Bessonette, BA, RMT

Susan is a Sutherland-Chan grad who has been an RMT since 1996, owning her own private practice. She completed a degree from the University of King's College in Halifax and a certificate in Adult Education from Centennial College. She has been engaged in teaching in massage therapy diploma programs since 1997, joining the Humber College team in 2016. She was a Credentials and Prior Learning Assessment examiner for out-of-jurisdiction massage therapists in Ontario. Susan is dedicated to promoting the profession and has been very active in massage therapist professional associations (MTANS and RMTAO).
